Optional

- polo Shirts \$45 (very limited current stock. Zone no longer planning to hold stock of these. Individual order via supplier, contact Vicki for details)

Prices have been fixed since 2009. They may change later in 2015 if there are cost increases with suppliers.

Order Processing

Preferably items will be taken to the next Zone meeting after payment receipt is confirmed. Otherwise, I live at Guanaba and work at Southport. My husband, Geoff works at Nerang so pick up can be arranged at these venues.
