COME AND TRAIN

TAMBORINE PONY CLUB

CROSS COUNTRY SCHOOLING ETIQUETTE:

Allow sufficient time for your training, as there may be large groups.

All horse and riders must have a responsible adult keeping watch on the grounds who are able to alert medical attention in the event of an emergency.

Wear a Body protector, medical armband, sun protection.

Approach other riders at a slow pace, so you don't startle any horse or rider.

Ask permission to jump the jump or ask how long others will be, or request permission to join the group. Some riders may have paid instructors with them, so this may not be possible. Please move on after 15 minutes.

It is important that all riders and spectators are considerate of others. If a jump is congested move to the next jump and come back to it at a later time.

Respect your horse. Give him/her time to become confident with the environment. Come back to the jump once your horse/rider has gained confidence at a smaller jump, or different jump if required.

Over use of the whip, spurs, aggression or poor language will not be tolerated. Riders and horses may be asked to leave the course if the horse is not fit or sound or capable of the task asked of them.

Be respectful. Be courteous. You may be asked to move on.

Course will be closed at 4.00pm. No jumping will be allowed after this time. If demand warrants, we will extend the hours.

WE HOPE YOU ENJOY THE DAY!
