

Zone 2 Show Jumping

Development & Performance Squads

Zone 2 Pony Club is pleased to announce the continuation of their Development and Performance Show Jumping Squads. These squads have been extremely popular and well attended since their introduction in 2019 and allows members the opportunity to gain further experience and expertise with all aspects of show jumping.

Each rider will be allocated to a squad based on their current level of experience. Development Squad is for those riders starting out in Show Jumping and wanting to develop the basic skills required to move forward in this discipline. Performance Squad is for those riders who have been actively competing and representing their Club and Zone and are keen to progress their skills further in this competitive area.

It is anticipated that squad training days will be hosted at the Jimboomba Pony Club grounds. If location changes are required this will be communicated to squad members prior to training sessions. Lessons are subsidised by the Zone, however there will be a nominal fee which will need to be remitted for each squad day prior to the event. Costs associated with this will be communicated following confirmation of squad numbers and availability of coaches.

To apply, please complete the expression of interest form which can be found at <https://form.jotform.com/210417735428051>. Applicants are also required to include a letter of recommendation from their club's chief instructor or club secretary with their application. Expressions of interest close 31st March.

If you have any further questions please do not hesitate to contact me and I look forward to welcoming everyone to what promises to be a fantastic program.

Regards,

Clare Flynn
