To Whom It May Concern;

Allocating dates on the Zone Calendar is a complex and frustrating issues.

Trying to appease all clubs with date allocations will be impossible and there are always some that will feel they are being treated unfairly when it comes to date allocation for the following calendar year.

At previous meetings many clubs have stated they "always" ran their event (whatever it may be) on xyz date.

Some clubs in our Zone have to work with Show Societies and have specific dates that are written into their contracts with their Show Society. Contractual issues such as these need to be taken into consideration.

In order to **try** to make the allocation of dates less complex and frustrating for all involved Oxenford Pony Club would like to propose the following motion for the 2019 Zone 2 AGM.

Please note this motion has two options for consideration as while some clubs might be happy for the Zone Executive to allocate the first two dates to each club others will be unhappy with this suggestion.

Changes to date allocations for the Zone calendar are to come into effect in 2020 and will not affect the current date allocations for the 2020 calendar year.

With warm regards,

*Russell Lynch*

## Proposed Motion:

### Option 1:

#### Zone 2 Calendar

1. The Zone Executive to nominate dates for Zone events (Formal Gymkhana, Dressage, Combined Training, Equitation, Show Jumping and ODE) to have priority on the calendar and shall take precedence over club days.
2. Zone 2 Executive Committee to allocate **two (2)** dates to all clubs within the Zone.

These dates are to be consistently maintained on the Zone calendar year in year out giving clubs some security for their two main events each calendar year.

Clubs may choose to hold any of the following events on these dates:

- a. Formal Gymkhana
  - b. Sporting Gymkhana,
  - c. Dressage
  - d. Combined Training
  - e. Show Jumping
  - f. Equitation
  - g. Tetrathlon
  - h. ODE
3. Clubs that would like to request additional dates (including open days and training days) are to submit their additional dates in writing to the Zone by 30<sup>th</sup> of September each year for date allocation at the following Zone meeting.
  4. All dates are to be confirmed at the November Zone meeting after PCAQ Approval of official dates.
  5. Clubs that would like to hold additional events are to submit all requests in writing for discussion at the following Zone meeting.
  6. Requests for additional dates will not be accepted from the floor at Zone meetings.

Clubs are to "share" dates when the disciplines are different eg Dressage and Gymkhana, Show Jumping and Gymkhana etc.

Changes to date allocations for the Zone calendar are to come into effect in 2020 and will not affect the current date allocations for the 2020 calendar year.
